

Wheatley Parish Council

Grants Policy Adopted on 14th May 2018

Wheatley Parish Council is committed to financially supporting local charities, organisations and projects. It budgets a sum of money each year for this purpose.

To ensure that the council's money is spent fairly and equitably throughout the parish the council will only consider awarding grants to local charities, organisations and projects that demonstrate a positive impact to the village and its residents. Other criteria include:

1. Applications will only be accepted from charitable, voluntary and non-profit making organisations. Applications from commercial organisations will not be considered. National appeals are outside of the scope of this scheme.
2. Organisations should be located within the parish of Wheatley, or if based outside the parish/village their work should support or be of benefit to the village and its residents.
3. The council is prevented from financially supporting charities operating overseas or to a fund established to help persons outside of the UK.
4. Applications must include:
 - i. Completed application form
 - ii. Annual set of accounts – showing income and expenditure
 - iii. Copy of your written constitution or organisational aims and purpose

Small Grants:

Applications can be made throughout the year and will be reviewed by the Finance Committee. The committee meets bi-monthly and applications must be submitted, to the Clerk at least two weeks in advance of the meeting.

Applicants will be notified of the committee's decision. Successful applicants will receive a cheque via their Treasurer.

Large Grants:

Applications for large grant requests will be considered by the Finance Committee in October/November as part of the council's budget setting process for the following year. Applications must be submitted to the Clerk at least two weeks in advance of this meeting.

Applicants will be notified of the committee's decision. Successful applicants will receive payment details via their Treasurer

Successful applications:

Grants must be spent for the purpose, project or activity given. If the group is unable to use the grant for the stated purpose all monies shall be returned to the parish council.

In return the council expects the organisation to promote the council's support in appropriate ways. You will also be expected to provide regular progress and/or financial reports to the council/relevant committee. Details will be confirmed in the writing.
