

Should the permissive footpath through Littleworth Allotments be opened to the community? ³

Wheatley Parish Council is responding to a request to extend public access to the permissive footpath through Littleworth Allotments, linking Littleworth to Littleworth Nature Reserve and other public footpaths.

We would like to hear your views on this proposal.

CPRE defines a permissive footpath as *pathways that you're allowed to use because the person who privately owns that land has made the route available to the public.*

There is already a permissive footpath in place, for the use of allotment holders.
