

Wheatley Directory

7th edition March 2022

Produced by Wheatley Parish
Council

INTRODUCTION

Wheatley Parish Council with the support of several volunteers wanted to produce an up-to-date version of the Wheatley Information Booklet, using information provided by the village organisations themselves. Each organisation was approached individually, although naturally some have disappeared, and others appeared since the last edition about 7 years ago.

Where provided, we have included websites and e-mail addresses,

Printed copies will be available alongside an online version, hosted on the parish council website (www.wheatleyparishcouncil.gov.uk). The online version will be updated regularly, so please do contact us if you need to change your details or spot an error.

Predominantly the organisations in this booklet are not commercial unless they provide a service directly to the village. For **commercial organisations in Wheatley**, please see the bi-monthly “Wheatley News” published by the Parish Council.

In addition, for **childcare provision**, there are many individuals or organisational providers, and please see the Oxfordshire County Council or Ofsted websites for details of approved providers: www.oxfordshire.gov.uk/early_years or www.ofsted.gov.uk or www.childcare.co.uk

USEFUL CONTACTS

As well as the individual organisations listed, the Parish Council, South Oxfordshire District Council, and Oxford County Council provide a huge range of services to the village of Wheatley: --
