

Section 3 - External Auditor Report and Certificate 2023/24

In respect of

Wheatley Parish Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2023/24

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

Upon review, the council's general reserves are higher than the generally accepted level for smaller authorities. General reserves are the level of reserves after adjusting for any earmarked or ringfenced funds. Per Paragraph 5.33 of JPAG Practitioners' Guide, best practice suggests that general reserves should cover at least 3 months of expenditure and anything greater than 12 months of expenditure is considered excessive.

On review of the External Audit report for 2022/23, we note the council has not repeated any of the issues that were raised on the 2022/23 report in the current year (2023/24). The council therefore appear to have taken appropriate action on matters reported from the external audit as these issues were not repeated this year. Therefore, a more appropriate response to Assertion 7 of Section 1 of the Annual Governance and Accountability Return would have been a 'Yes'.

3 External auditor certificate 2023/24

We certify/~~do not certify~~* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.

*We do not certify completion because:
